**Date – 2<sup>nd</sup> May**

**Venue – Stocksfield**

**V Stocksfield**

The first League match of our season took place on Thursday with a tough away fixture against Stocksfield.

They are a team that do not give away many points on their own course and unfortunately for us, they were in fine form.

We suffered some heavy individual match defeats and the end result was a overall loss 0 – 12.

Not the type of start we were looking for but at least it is one of the hardest fixtures out of the way. Next match on 21<sup>st</sup> May sees us host Northumberland where we hope for a much improved result
