**Westerhope 8 Arcot 4**

A disappointing night at Westerhope after we suffered a 8-4 defeat to the hosts

Good wins for Steesh (keeping his 100% record at No1) and Jonny Brookes (his first win of the season) gave us an early 4-0 lead. However this was not long lasting as the Westerhope middle and lower order put up a strong performance to take the 8 points with defeats for Rutherford, Fawkes, Kingsland and Eiffert

Thanks to Billy Kingsland and John Eiffert for stepping in at short notice due to commitments of others

Another away trip next week to current league champions City of Newcastle will prove a tough challenge for the lads
