

## **This week on the course**

### **Monday 1st July**

The week began with the greens being verti cut, mown, top dressed, brushed and ironed to help work the dressing into the surface. The aprons and the 1st cut of semi rough were mown and the cutting of the fairways began.

### **Tuesday 2nd July**

The greens and the tee boxes were mown, the fairways were completed and the cutting of the semi rough and the tees side began.

### **Wednesday 3rd July**

The greens were cut, cutting of the semi was continued as were the tee sides, some copses around the corse were cut and some bunkers trimmed.

### **Thursday 4th July**

The cutting of the semi rough was completed, greens and aprons were cut, some bunker faces were flymoed and trimming bunkers around the course was continued. The bunkers were fully raked in the afternoon for the league match in the evening.

### **Friday 5th July**

The greens, tees, fairways and the 1st cut of semi were all mown. The practice area was mown as was the area that has been dressed and seeded. 3 old sprinklers around the 9th green were replaced with new ones.
